Dear Fuse Community,

The Fuse family is saddened to announce that the youth director position at Holy Cross, held by Jeff Kuester, was eliminated for budgetary reasons as of November 15th. We are looking at several options to retain his and his wife's tremendous presence in this ministry however given the short notice this will be difficult. In the immediate term, they will continue to bring their considerable talents to this ministry with gusto.

The Fuse staff has not been contacted in any way with regards to Holy Cross' disposition towards their Fuse partnership status. Without at least a point of contact and some further discussion we have no choice but to consider the partnership dissolved also as of November 15th.

Regardless, Fuse Student Ministries in whatever capacity has always been and will continue to be open to any student no matter their "home" church. We hope to continue to build the relationships we have with the students at Holy Cross and of course will welcome any new comers.

We simply ask for your prayer on the matter, especially for the Kuester family as they plan their next steps. Our primary focus remains with the students, particularly those students affected by this sudden change.

In Christ,

The Fuse Student Ministries Executive Team.
